

HUNTINGTON'S DISEASE SUPPORT GROUP

2011 Schedule

This group meets monthly on the second Sunday of the month. The meetings offer a safe place to share feelings, a way to learn coping skills and information/education on various topics. All of our activities are designed to help you master the challenges of Huntington's disease.

The group is designed to meet the needs of affected individuals, at-risk individuals and caregivers, family and friends. Customarily, the group meets altogether and then breaks into three separate groups for the affected, at risk and caregivers.
